DESIGN DEVELOPMENT

Dear loyal Parishioners of St. Patrick's,

During our recent Parish 125th anniversary celebrations, we read remarkable stories of parishioners' dedication and perseverance in building up our parish since the late 19th century. I know we all are very thankful for the sacrifices and generosity of the early pioneers and successive generations of parishioners of many cultural backgrounds, over many decades, which has made our parish the strength it is today.

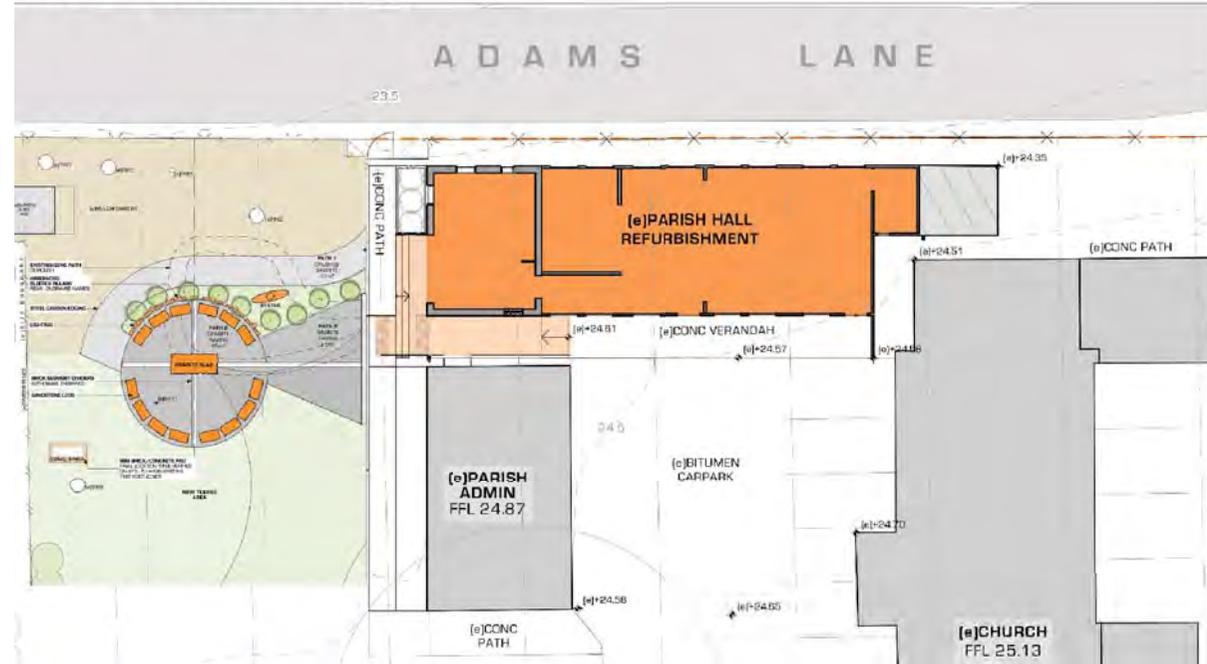

Thank you to all who support St Patrick's in so many ways. Because of your generosity, our parish continues to thrive and grow on the foundations of those who have gone before us.

An emergent question is how we can continue to make our parish a beacon of the Gospel and Christian outreach to those in our local community? What can we do to ensure that St Patrick's is an inviting place where people come and know Christ and his Church?

With these upgrades we can lay the physical foundations that are necessary to support our parish's mission, which is to invite all people in our area into a life-changing encounter with Christ and his Church. For many, that initial point of contact with our Parish will come in our designated outreach activities conducted through the Parish Hall and Church alike.

I invite you to consider contributing to this Parish Hall Renovation Appeal, building on our parish's strong foundations and ensuring its future success and ability to meet the needs of the parish community. Please feel free to contact me on 9743 1017 or thomas.stevens@sydneycatholic.org to discuss this exciting project. Peace and Joy,

Fr Tom Stevens
Parish Priest
